

2025 American Red Cross Course Schedule Guidelines

San Antonio Pool Management offers American Red Cross courses throughout the year for certification in Lifeguarding, First Aid and CPR/AED for the Professional Rescuer. In these courses, you will learn about the duties and responsibilities of a lifeguard and how to carry them out in a professional manner.

Successful course completion requires **100% participation** in classroom and skill sessions, as well as successful performance in skill and knowledge evaluations. If you miss any classes, there are no make-ups. You must re-register and pay to attend another class.

Blended learning content must be completed prior to attending the class! After registering for a course, you must complete the required blended learning modules and print verification of completion to bring along to your first day of class. **Please note: the blended learning content takes approximately 7 hours to complete! Please plan ahead to complete it several days prior to attending! Working ahead will allow for time to resolve any technical issues you may have.**

Textbooks may be downloaded in advance from the American Red Cross Learning Center. Wifi is available at the San Antonio Pool Management office, but may not be available at all testing locations. Therefore, it is best to download it onto a device in advance rather than to stream it from the ARC site during class.

Pocket masks are provided as part of the course fee. New employees taking the full certification course will also receive a company uniform t-shirt at the completion of the class.

Due to the nature of the skills in this course, you will be participating in strenuous activities, such as performing CPR on the floor and removing someone from the water. If you have a medical condition or disability or if you have any questions about your ability to participate fully in this course, discuss them with your physician or healthcare provider and with an American Red Cross Lifeguard Instructor **BEFORE** you start this course.

Refund Policy

Once you have paid for the Lifeguard class you have reserved your spot in the class. When the first day of class has begun there will be **NO REFUNDS** for any reason. If the first day of class has not begun you may move your registration to another Lifeguarding class offered by San Antonio Pool Management in the same year. If you do not pass the prerequisite there will be **NO REFUNDS** for any reason. You must re-register for another class. We will allow you to repeat the course ONE time at no additional cost.

Current employees will be reimbursed for their deposit through their payroll check after successfully completing 40 hours of work with San Antonio Pool Management.

Certifications

Lifeguard Blended Learning Course:

American Red Cross Lifeguard Training certificate - valid for 2 years

American Red Cross First Aid - valid for 2 years

American Red Cross CPR/AED for the Professional Rescuer - valid for 2 years

American Red Cross Lifeguard Training certificate - valid for 2 years

American Red Cross First Aid - valid for 2 years

American Red Cross CPR/AED for the Professional Rescuer - valid for 2 years

First Aid and CPR/AED for the Professional Rescuer Blended Learning Course:

American Red Cross First Aid - valid for 2 years

American Red Cross CPR/AED for the Professional Rescuer - valid for 2 years

Lifeguard Pre-Course Requirements

- You must be at least **15 years of age for Lifeguarding** before the last day of the training class to participate.
- **Swim-Tread-Swim Sequence** (enter pool, fully submerge, then swim 150 yards of freestyle or breaststroke, tread water without using your hands for 2 minutes, resume swimming for 50 yards of freestyle or breaststroke – this is not a timed event)
- **Brick Test** - Swim out 20 yards, surface dive 7ft – 10ft deep, retrieve a 10 pound weight from the bottom of the pool, return to the surface, and swim it back 20 yards to the start position. This objective is timed at 1 minute & 40 seconds.

The purpose of the swim is to demonstrate comfort in the water.

2025 American Red Cross Blended Learning Course Schedule

(Each course # is a full class - Class schedule subject to change. There must be a minimum of four (4) participants to hold a class. If there are less than 4, you will be contacted via phone. **All of our locations are outdoor, and we make every attempt to complete the course during the specified dates. If inclement weather prevents that, we will reschedule on the next available date that a majority of the attendees are available.**
